

THE OPUS

by ZAHA HADID

A Marvel Revealed

The epitome of the artistry of architecture, it's where luxury, indulgence and vision converge. The cube structure – 'eroded' by a sensuous curvilinear void which is flooded with light by night, is a cosmopolitan draw-card for all ages and cultures; the international traveler and the local residents.

Liveable, workable and playable 24 hours, 'the building that never sleeps' represents a premium lifestyle where every element of the building is remarkable and carefully designed.
