BROUGHT TO YOU BY ALDAR

As one of the most trusted and recognised real estate lifestyle developers in the UAE, it's our duty to make this country feel like home for everyone, every day. Which is why we do more than build properties. We strive to shape communities where people like to live, in homes that brim with everything they love.

THIS IS ABU DHABI

Abu Dhabi is a city with a difference. Its natural beauty, inspiring heritage, and dynamic business landscape are complemented by a bold and buzzing cultural scene that draws people from all over the world. Art, design, style, and creativity—it all starts here.

SAADIYAT ISLAND LIVING

If you were to design the ultimate lifestyle, Saadiyat Island's exquisite coastline and inspiring Cultural District would exceed expectation. Home to white-sand beaches, as well as the Zayed National Museum, Guggenheim Abu Dhabi, Louvre Abu Dhabi and Saadiyat Grove; this is a lifestyle destination that's redefining the UAE's role in global culture, creativity and natural beauty.

An aerial night-time rendering of the Saadiyat Grove development. The image shows a dense cluster of modern, multi-story buildings with illuminated windows and balconies. The buildings are interspersed with palm trees and landscaped areas. In the background, two prominent, illuminated towers with a unique, ribbed design stand out against the dark sky. The foreground shows a curved road with light trails from vehicles and more palm trees. The overall atmosphere is one of a vibrant, modern urban environment.

SAADIYAT
GROVE

A GROVE LIKE NO OTHER

Experience something different every day at Saadiyat Grove. It's an ever-evolving, ever-invigorating destination at the heart of the island that makes inspiring art and culture a part of life. Interactive artworks and digital murals surround you, exquisite style is reflected in every window, and the food is an experience in and of itself.
